**NARRATIVE:**

Rodriguez, a documented gang member, has an extensive adult criminal history that began at the age of 19. His convictions include assault with great bodily injury, terrorist threats, receiving known stolen property, grand theft auto, possession of control substance paraphernalia, violation of parole and failing to report. He has served multiple state prison terms the longest a 7 year term for receiving known stolen property. Rodriguez was released from state prison to the supervision of the Los Angeles County Probation Department on December 31, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2014 after he absconded from post release community supervision (PRCS). Rodriguez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for grand theft auto is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
